Perennials in plugs

Spring 2017

Dear Customer,

we are please to introduce our new 2017 catalogue of perennials in plugs. You will find this one of the most updated plug catalogues today listing many new and exclusive introductions as well as the tried and tested old favourites!

What makes this catalogue unique is the combination of rooted cuttings, tissue culture, grasses and hardy ferns to offer you the widest possible range!

All plants are shipped as plugs ranging 40/tr. to 104/tr. sizes.

Looking forward doing business with you,

Kind regards,

Royal Park perennial team
